

MakeUp Remover

Product Description

Selling Points

- 1) Alcohol Free.
- 2) Naturally Based.
- 3) Removes All Types of Makeup.
- 4) Made With an Olive Oil Derivative.

With Calendula (*Calendula officianalis*) Calendula Essential oil is infused into our oils to increase the healing properties of our massage and body oils. Calendula has antiseptic, antifungal, anti-inflammatory, healing, and soothing properties for all skin types.

German health authorities recommend it for topical use in minor wounds and ulcers because it is believed to increase collagen metabolism. Anti-hemorrhage, anti-inflammatory, antiseptic, antispasmodic, astringent, fungicidal.

Useful for burns, cuts, eczema, oily greasy skin, bruises, soothes skin, inflammations, insect bites, rashes, wounds, cracked dry skin, varicose veins. Stretch marks, diaper rash, regulates menstrual cycle, immune boosting, fluid retention, anti viral.

Shown in laboratory test to induce granulation, which is an integral part of the heal process for wounds. Source: Marigold Flowers
