

Make Up Remover

Designed to purify and remove all types of makeup and cosmetics without drying-out skin! Forget harsh cleansers - especially near your eyes.

This Olive Oil derivative does an amazing job of removing all types of makeup including mineral makeup to detoxify. Purifies pores getting them ready for your toners and creams.

Our makeup remover is natural and gentle on the face and skin. This a natural make up remover that will gently wash away make up build up and gunk leaving your skin soft and clean.

Directions:

Apply to finger tips or cotton ball and massage in circles to cleanse away makeup and cosmetics. External use only. Rinse if contact with eyes occurs.

Ingredients:

Water, Glycerin, PEG 7 Olivatate, Calendula Extract, Germall Plus
